Dear parent/carer,

We are running SATs 'booster' classes, both before and after school, in order to fully prepare children for the rigours of the SATs exams. These will begin from **Monday 6th November 2017**. These sessions will start early to ensure that our children are as prepared and ready as possible for the exams in May 2018.

Why?

- SATs are only 23 weeks (approximately 115 school days away)
- We are committed to ensuring all our children achieve their full potential
- We want our children to go into SATs with a confident, 'can-do' attitude. This extra preparation time will equip them with the confidence and resilience to do this.

We have highlighted the boosters that your child needs to attend in order to achieve their full potential. Children can bring snacks and drinks (that adhere to the School's Healthy Eating policy) to after school boosters with them. Toast will be provided for the before school booster sessions.
