Staffing Update

Dear parent/carer,

It is an absolute priority for us to ensure that your child is having the very best teaching every day, so that they can realise their full potential and gain a real thirst and love of learning in all aspects of the core and wider curriculum.

Therefore, we are constantly looking to attract outstanding teachers to our school for the benefit of our children. We are currently recruiting teachers to a number of our Year groups and inevitably there will be some staff that leave us.

We are working closely with recruitment agencies to ensure that any cover staff we employ temporarily are of a satisfactory standard and that permanent appointments are outstanding.

The following changes have recently taken place:

RRK – Dr S Bodanker is covering Mrs R Kaur's Maternity Leave until the Summer term

1RT – Ms R Turner has left the school and been replaced permanently by Miss K Deakin.

2BC – Mrs I Chana has left the school and been replaced by Mr F Ahmed.

3BR – Mrs Roberts has left the school and been replaced by Ms C Wagner-Brenner.

3SC – Mrs Cohen-Dunkley left the school and has been replaced by Ms D King.

4JK – Mrs J Jex and Mrs N Bashir now share responsibility for this class.

4JE - Mrs J Edwards has left the school and been replaced by Ms C Mardenborough.

The remaining classes continue with the same teaching staff as last term. I would also like to point out how pleased we are with the progress of our Y6 students who are coming on leaps and bounds in preparation for their SATs in May. Also worthy of note is the progress our children have made in reading and phonics since the introduction of RWInc Phonics in November last year. I hope you are enjoying reading the Home Readers with your child and congratulating them on how well they are doing.

All teaching staff have been asked to make appointments with you for parents evening on Wednesday 31st January from 4pm until 6.30pm. They are very much looking forward to discussing your child's progress with you.

The future at Springfield is looking very bright and we are very grateful for your continued support and communication.

Yours sincerely,

Mr Rob Grover
